

# Aid Coordination Meeting ENVIRONMENT

Belgrade, 14<sup>th</sup> of December 2011

## Introduction of SWAp- two sets of activities:

### 1. Horizontal Activities

- Define the Sectors that will be the carriers of sector approach, and preparation of comprehensive multi annual strategies for each of them
- Review Sector Strategies as well as prepare the standardized methodology for strategies' preparation
- Ensure linkages between existing national budget frameworks, donor coordination frameworks, public finance management procedures and planning and monitoring mechanisms

### 2. Sector-level Activities (Judiciary, Environment)

- A Review of the Environment sector policies and strategies and identifying a reference strategic document/ plan
- Preparation of the Environment sector budget and its medium term perspective
- Establishment of functional coordination structures
- Developing of a sectoral performance assessment framework (PAF) to monitor the progress
